

Governor Bentley to Survey Storm Damage

MOBILE – Governor Robert Bentley will be in the Mobile area Thursday to visit neighborhoods affected by the December 25 severe weather outbreak. The Governor will view storm damage and visit with various officials.

Alabama Emergency Management Agency Director Art Faulkner will join Governor Bentley. The Alabama EMA is working with local emergency managers and various officials from across the state to help ensure that communities are connected to available resources.

Governor Bentley will survey damage beginning at the Murphy High School campus. The Governor is expected to arrive at approximately 8:45 a.m. Governor Bentley is then scheduled to visit Miller Transporters in the Prichard community at approximately 9:45 a.m.

For Governor Bentley's original statement on the Christmas Day storms, please visit the Governor's website at www.governor.alabama.gov.
